

A large, multi-story half-timbered house with a steep, snow-covered roof. The house features dark wooden beams and white plaster. It is surrounded by snow-covered trees and a large evergreen in the foreground. The scene is set in a winter landscape with a snow-covered ground and a cloudy sky.

F

A photograph of a modern interior space, likely a library or a public building. It features a curved staircase with a glass railing and a large window in the background. The architecture is contemporary with clean lines and a mix of materials.

©

A black and white photograph of a large, ornate, light-colored building, likely a residence or institutional building. The building features a central dome with a small cupola on top. The facade is symmetrical, with a central entrance area featuring a series of arches. The building is surrounded by mature trees and a circular driveway or garden area in the foreground.

A large, light-colored, multi-story building with a central tower and a dark roof, surrounded by lush greenery and trees. The building is situated on a hill overlooking a body of water.

A group of people are on a decorated boat on a river. The boat has colorful circular patterns on its side and a red and white striped flag on a pole. The background shows a lush green forest.

A photograph of a grassy field with a line of trees in the background. The field is green and appears to be a pasture or meadow. There are some small bushes or clumps of grass in the foreground. The trees in the background are dense and green, suggesting a forest or wooded area. The sky is blue with some white clouds.

A male mallard duck is shown swimming in a body of water. The duck has a distinctive green head, a yellow bill, and a brown body with a white patch on its wing. The water is calm, and the background is slightly blurred, showing some reeds or grass.
